Dinolift Appoints mateco as New Distributor in the Czech Republic

Dinolift, a leading manufacturer of lightweight aerial work platforms, has appointed mateco Czechia s.r.o. as its official distributor in the Czech Republic as of 1 October 2026. In the Czech market, mateco is responsible for sales, rental, service, and spare parts for the DINO range.

Founded in 2005 and headquartered in Dolní Beřkovice near Mělník, mateco is one of the leading aerial work platform specialists in the Czech Republic. Through a nationwide network of eight branches, the company serves customers across the country with a rental fleet of more than 2,400 machines. In addition to rental services, mateco offers sales of new and used equipment, operator training, technical support and a 24/7 service dispatch centre.

As Dinolift's new distributor in the Czech Republic, mateco succeeds ČEVAS group s.r.o. Dinolift thanks ČEVAS for the cooperation and its work for the DINO brand.

"A strong rental fleet, service network, and customer focus make mateco the ideal partner for the DINO brand in the Czech Republic. We look forward to growing the market together," says Jussi Luoto, Head of Global Sales, Dinolift Oy.

"Adding DINO platforms to our offering allows us to serve customers who need lightweight and versatile access solutions," says Pavel Boubelík, Executive Head, mateco Czechia s.r.o.
